

Typical letter of St Paul

**This is what God
has done for us**

therefore

**This is how we should
live**

Paul on living in the Kingdom Galatians 5-6

WHY?

**Because that's what being
in the Kingdom is all
about**

**The gift of freedom is not
a good excuse to go
straight back into slavery
again**

**'Sowing to the flesh reaps
corruption'**

WHAT?

**Love your neighbour as
yourself – i.e.**

- **love yourself (correctly)**
- **love your neighbour**

HOW?

Its easy!

**The old nature is dead, the
new nature has come. So by
faith accept the finished
work of Christ and just
'put it on'!**
